both classic essays and high-interest, high-quality contemporary readings to truly engage students. The editorial apparatus is flexible and unobtrusive enough to support a variety of approaches to teaching composition. In its fifth edition, 50 Essays continues to help students acquire the critical thinking and academic writing skills they need to succeed, without making a dent in their wallets.

In this bold book, Samuel Cohen asserts the literary and historical importance of the period between the fall of the Berlin wall and that of the Twin Towers in New York. With refreshing clarity, he examines six 1990s novels and two post-9/11 novels that explore the impact of the end of the Cold War: Pynchon's *Mason & Dixon*, Roth's *American Pastoral*, Morrison's *Paradise*, O'Brien's *In the Lake of the Woods*, Didion's *The Last Thing He Wanted*, Eugenides's *Middlesex*, Lethem's *Fortress of Solitude*, and DeLillo's *Underworld*. Cohen emphasizes how these works reconnect the past to a present that is ironically keen on denying that connection. Exploring the ways ideas about paradise and pastoral, difference and exclusion, innocence and righteousness, triumph and trauma deform the stories Americans tell themselves about their nation's past, *After the End of History* challenges us to reconsider these works in a new light, offering fresh, insightful readings of what are destined to be classic works of literature. At the same time, Cohen enters into the theoretical discussion about postmodern historical understanding. Throwing his hat in the ring with force and style, he confronts not only Francis Fukuyama's triumphalist response to the fall of the Soviet

Union but also the other literary and political “ end of history ” claims put forth by such theorists as Fredric Jameson and Walter Benn Michaels. In a straightforward, affecting style, *After the End of History* offers us a new vision for the capabilities and confines of contemporary fiction.

Combining concise but thorough instruction in the methods of development with a conscientiously picked selection of classic and contemporary model readings for writers, *40 Model Essays* contains advice on forming a thesis statement alongside a wealth of captivating new writing topics to help you succeed.

In this elegant volume, literary critics scrutinize the existing Wallace scholarship and at the same time pioneer new ways of understanding Wallace's fiction and journalism. In critical essays exploring a variety of topics—including Wallace's relationship to American literary history, his place in literary journalism, his complicated relationship to his postmodernist predecessors, the formal difficulties of his 1996 magnum opus *Infinite Jest*, his environmental imagination, and the “ social life ” of his fiction and nonfiction—contributors plumb sources as diverse as Amazon.com reader recommendations, professional book reviews, the 2009 *Infinite Summer* project, and the David Foster Wallace archive at the University of Texas's Harry Ransom Center.

The carefully chosen selections in *50 Essays* include both classic essays and high-interest, high-quality contemporary readings to hold students ' interest, inspire their writing, and prepare them to work with nonfiction at the college level. *50 Essays* will help your AP® English Language students acquire the critical thinking and academic writing

skills they need to succeed. AP® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

Gathering forty important short stories in a portable and economical format, the second edition includes even more of the fiction instructors want to teach and more of the help student readers need.

From the best-selling authors of the most successful reader in America comes Practical Argument. No one writes for the introductory composition student like Kirsznner and Mandell, and Practical Argument simplifies the study of argument. A straightforward, full-color, accessible introduction to argumentative writing, it employs an exercise-driven, thematically focused, step-by-step approach to get to the heart of what students need to understand argument. In clear, concise, no-nonsense language, Practical Argument focuses on basic principles of classical argument and introduces alternative methods of argumentation. Practical Argument forgoes the technical terminology that confuses students and instead explains concepts in understandable, everyday language, illustrating them with examples that are immediately relevant to students' lives.
