original Mattel artwork throughout the book. With real Mattel artwork featured in detail, the book has great appeal for collectors, even if they aren't aspiring artists. Because Hot Wheels(tm) diecast cars are modeled after both real and fantasy vehicles, the techniques and interest to readers is the same as for real-life car enthusiasts. Officially licensed by Mattel.

Perspective is one of the most important concepts for an artist to understand. In this valuable beginner's guide, acclaimed artist Ernest Norling teaches you

how to use perspective to create a sense of depth and realism in your artwork. Perspective covers techniques for drawing in one-, two-, and three-point perspective, as well as information on how to use vanishing points and the horizon line to establish believable depth. Special attention is given to learning to draw circles, cylinders, and people in perspective. Whether you specialize in drawing—even cartooning or animation—or painting in acrylic, pastel, oil, or watercolor, a good working knowledge of perspective is essential. Don't be surprised if you
