In Everyday Harumi, now reissued as an attractive jacketed paperback, Harumi Kurihara, Japan's most popular cookery writer, selects her favourite foods and presents more than 60 new home-style recipes for you to make for family and friends. Harumi wants everyone to be able to make her recipes and she demonstrates how easy it is to cook Japanese food for every day occasions without needing to shop at specialist food stores. Using many of her favourite ingredients, Harumi presents recipes for soups, starters, snacks, party dishes, main courses and family feasts that are quick and simple to prepare, all presented in her effortless, down-to-earth and unpretentious approach to stylish living and eating. Every recipe is photographed and includes beautiful step-by-step instructions that show key Japanese cooking techniques. Texture and flavour are important to Japanese food and Harumi takes you through the basic sauces you can make at home and the staples you should have in your store cupboard. Photographed by award-winning photographer Jason Lowe, this warm and approachable cookbook invites you to cook and share Japanese food in a simple and elegant style.

In the great tradition of the American almanac, *The Areas of My Expertise* is a brilliant and hilarious compendium of handy reference tables, fascinating trivia, and sage wisdom on all topics large and small. Although bestsellers such as *Poor Richard's Almanack* and *The Book of Lists* were certainly valuable, they also were largely true. Here is a different kind of handy desk reference, one in which all of the historical oddities and amazing true facts are sifted through the singular, illuminating imagination of John Hodgman—which is the nice way of saying: He made it all up. John Hodgman brings his considerable expertise to bear in answering all of the questions book buyers have been asking: -What are the mottoes of the 51 United States? THE ANSWER IS PROVIDED -Who were the U.S. presidents who had hooks for hands? THE ANSWER IS PROVIDED -What role does the Yale secret society "Skull and Bones" play in the secret world government? THERE IS NO SECRET WORLD GOVERNMENT -What was the menu at the first Thanksgiving, and did it include eels? Technically, that is two questions, but do not apologize, for John Hodgman shall answer them both . . . LATER. -Aside from a compendium of fake trivia, what is the best kind of book to write? A SIMPLE TABLE OF THE 55 MOST DRAMATIC LITERARY SITUATIONS PROVIDES THE ANSWER, and John Hodgman is the author of that table. Imagine if *The Book of Lists* had been rewritten by Peter Cook and Jorge Luis Borges under the pseudonym of "John Hodgman" and then renamed *The Areas of My Expertise*, and you will only begin to have a sense of the dizzying, uproarious, sublimely weird, and strangely wise journey that is contained within this book (along with all the pages and words). Perfect for anyone who thirsts for knowledge, and especially for collectors of books of fake trivia, *The Areas of My Expertise* offers through absurdity a better understanding of the world we share—and recognizes that while the truth may be stranger than fiction, it is never as strange as lies . . . or as true. Look out for John Hodgman's latest book, *Vacationland*, available from Viking in Fall 2017.

For the Western mind, this is the only Book on Tantra you will ever need. A bold statement? Perhaps. However, the idea behind this book is simple: It is power. It is Kundalini, dressed in Western clothes. It describes experiences and techniques which allow you to glimpse beyond ordinary day-to-day reality, into a world of marvels---and horrors.

"Includes recipes and tea time tips"--Page 4 of cover.

Lately, Anviksha Punjabi can't seem to get anything right. She is in the middle of ending her second marriage, is barely keeping any friends, and repeatedly getting into trouble at work. And as if all that weren't enough, she must put up with her gregarious and over-bearing 67-year-old mother as a housemate. Afraid that if this goes on, she'll finally unravel completely, Anviksha decides that she needs a break - a Bollywood style, solo-trip across Europe kind of break. What she doesn't expect is that her mother, Smita Punjabi, will insist on coming along. The unlikely duo embarks on a journey complete with nudists, an unwelcome blast from the past, a British dog named Bhindi, and several eligible bachelors, and slowly, what was supposed to be a soul-searching journey for one, turns into a life-altering experience for two.

"Darryl knows my game now. He knows what's going to work and what's not going to work. It's about fine-tuning it and always trying to improve.... It's an ongoing conversation about how to get better and how to pick up a little thing here or there to give yourself an advantage." —Patrick Kane, from his foreword An unmissable look at how even hockey's best find ways to get even better. Darryl Belfry is regarded as hockey's premier development coach, with clients including Sidney

Crosby, Patrick Kane, John Tavares, and Auston Matthews. But his highly sought-after training methods aren't only for elite NHL stars; they have helped players of all levels uncover new pathways to performance excellence. Packed with fascinating stories and valuable insight, *Belfry Hockey: Strategies to Teach the World's Best Athletes* details this powerful curriculum, developed over years of persistent research. It's a system that emphasizes discovering authentic identity, pinpointing translatable skill, building a personal performance matrix, and more. Not only will players learn hundreds of techniques to improve their game, but teachers—inside and outside of hockey coaching—will gain an arsenal of groundbreaking strategies to connect with their students.

Completely updated for Django 4.0 & Django REST Framework 3.13! *Django for APIs* is a project-based guide to building modern web APIs with Django & Django REST Framework. It is suitable for beginners who have never built an API before as well as professional programmers looking for a fast-paced introduction to Django fundamentals and best practices. Over the course of 200+ pages you'll learn how to set up a new project properly, how web APIs work under the hood, and advanced testing and deployment techniques. Three separate projects are built from scratch with progressively more advanced features including a Library API, Todo API, and Blog API. User authentication, permissions, documentation, viewsets, and routers are all covered thoroughly. *Django for APIs* is a best-practices guide to building powerful Python-based web APIs with a minimal amount of code.

A very dirty book about a very unusual relationship.

In Philadelphia, nothing is the same after a deadly shooting has everyone on edge and revenge is in the air.

A stunning chronicle of a youth movement as seen through the lens of Mike Blabac, a man as dedicated to his craft as he is to the skateboarding lifestyle that has inspired it. Skateboarding is more than a hobby, it is a way of life that shapes everything from music to fashion, video to art. 300 awe-inspiring images communicate the stories of some of skateboarding's finest athletes including Eric Koston and Stevie Williams.
