---

This is the definitive guide for pension fund trustees and their advisors, offering jargon-free advice on pensions law, the role of the trustee, and how that has changed in light of amendments to the law as at September 2006.

---

A comprehensive guide to the role and duties of occupational pension fund trustees, Pension Fund Trustee Handbook is an invaluable reference book for every pension fund trustee regardless of background or level of legal expertise. This edition covers both statutory and trust law and has been fully revised and updated to include the Pensions Act 2004. It clearly sets out the role of the sponsoring employer, the rights of the scheme members, and what trustees now require of their appointed advisers. The expert coverage includes: breaches of trust; investing pension fund assets; funding defined benefit occupational schemes; protection for trustees; and trustee powers and discretions.

---

This handbook provides both new and experienced trustees with easy-to-understand information and advice on their responsibilities. Covering all areas of the PMI Trustee certificate, it includes checklists after each chapter, and practical guidance on a range of subjects, including: trustees duties, powers and discretions; the trustee's relationship with professional advisers; breach of trust; investing pension fund assets; the conduct of trustee meetings.

---

This book provides comprehensive guidance on the role and duties of a trustee. It provides explanations of the legal requirements affecting pension schemes so that trustees can ensure that these have been complied with. The handbook also addresses the important topics and gives guidance and support to those managers, administrators, directors and other members who have taken on the role of serving as a pension fund trustee. The latest edition includes coverage of all the recent legislative and practical changes to pensions over the last year.

---

This is a practical guide to successfully managing a pension fund and, in particular, new regulations for pension fund trustees which came into force in April 1997. The handbook explains what the new rules say and mean, what new responsibilities face trustees, and how to avoid problems and succeed as a pension fund trustee.

---

The first comprehensive guide to mastering the roles and responsibilities of a public pension fiduciary in the U.S. In an ever-changing financial and political landscape, your job as a public pension fiduciary continues to get more difficult. Now, you have the help you need. U.S. Public Pension Handbook is the only one-stop resource that covers the various areas of public pension governance, investment management, infrastructure, accounting, and law. This comprehensive guide presents critical data, information, and insights in topic-specific, easy-to-understand ways—providing the knowledge you need to elevate your expertise and overall contribution to your pension plan or system. U.S. Public Pension Handbook covers:

- Today 's domestic and global public pension marketplace
- The ins and outs of the defined benefit model, the defined contribution, and hybrid pension designs
- Financial concepts central to the actuarial valuation of pension benefits
- Public pension investment policies and philosophies
- Asset allocations and how they have changed over time
- State and local government pension contribution policies
- The impact of governance structure and board composition on organizational results
- Fiduciary responsibility and the general legal/regulatory framework governing trustees
- How changes in trust law may affect public pension trustee fiduciary responsibility and liability
- Best practices in pension governance and organizational design

Public pension trustees are the unsung heroes of the world of finance, collectively managing over \$6 trillion in retirement assets in this country alone. U.S. Public Pension Handbook provides the grounding you need to make sure you perform your all-important with the utmost expertise and professionalism.

The essential reference tool for trustees and professionals who serve multiemployer funds has been completely revised and updated. Includes a collection of practical articles covering fiduciary responsibility, plan design and financing, liability insurance, actuarial considerations, accounting, plan administration, investment management and much more. New in this edition: Pension plan mergers Ancillary benefits Alternative investment options Understanding financial statements Apprenticeship and training programs
