Democracy: Presidential or Parliamentary Does It Make a ...

Abstract. Starting from recent analyses that have argued that presidentialism is less favorable for building stable democracy than parliamentary systems, this article argues that the combination of a multiparty system and presidentialism is especially inimical to stable democracy. None of the world's 31 stable (defined as those that have existed for at least 25 consecutive years) democracies has this institutional configuration, and only one historical example—Chile from 1933 to 1973—did so.
