& Analysis ...

Summary. Aldo Leopold, thought of as the father of wildlife

conservation, is best known as the author of the 1949 book A Sand County Almanac. Leopold articulates an unprecedented idea called “land ethic” which

Access Free Sand County

Almanac
Chapter
Summary

upholds the right of the soils, waters, animals, and plants to a life in a natural state. While it does not prevent the misuse of these resources, it does assert that the ecosystem only works as a whole, and all components of it are equally important.
