 "The Reader" is the story of 15-year-old Michael Berg who has an affair with Hanna, a woman more than twice his age. This part of the story is set in West Germany in 1958. One day she disappears, and he expects to never see her again.

**Book Review of "The Reader" by Bernhard Schlink**  
 The Reader, a hushed and haunting meditation on these knotty questions, is sorrowful and shocking, yet leavened by a deep love story that is its heart. In postwar Germany, young schoolboy Michael (German actor David Cross) meets and begins a tender romance with the older, mysterious Hanna (Kate Winslet, whose performance is a revelation).

Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

"Set in a world where reading is unheard-of, Sefia makes use of a mysterious object to track down who kidnapped her aunt Nin and what really happened the night her father was murdered"--

Sefia is determined to keep Archer out of the Guard's clutches and their plans for war between the Five Kingdoms. The Book, the ancient, infinite codex of the past, present and future, tells of a prophecy that will plunge Kelanna in that bloody war, but it requires a boy--Archer--and Sefia will stop at nothing to ensure his safety. The Guard has already stolen her mother, her father, and her Aunt Nin. Sefia would sooner die than let them take anymore from her--especially the boy she loves. But escaping the Guard and the Book's prophecy is no easy task. After all, what is written always comes to pass.As Sefia and Archer watch Kelanna start to crumble to the Guard's will, they will have to choose between their love and joining a war that just might tear them apart.

A study of the archaeology and sociology of the use of margins and other blank spaces. Marginalia constitute a significant dimension of the book's history, and what readers did to books often added to their value. This study deals with books in which the text and marginalia are in intense communication with each other, in which reading constitutes an active and sometimes adversarial engagement with the book. The underlying questions is at what point marginalia, the legible incorporation of the work of reading into the text of the book, became a way of defacing it rather than of increasing its value--why did we want books to lose their history?

An enchanting picture book about the magic of books and reading. It's naptime, but this young bookworm isn't going to sleep. It's time to read. The Reader is a whimsically illustrated love letter to the powerful combination of books, reading, and the imagination. It is the story of a girl, her family library, and those happy stolen moments during the siesta when she can read quietly while everyone else is resting.

Hunted, shot, and without her memory, eighteen-year-old Ann Baker wakes in shallow water on a deserted Pacific Northwest island. She is soon approached by two young men claiming to be her friends. Something isn't right, but when gunshots sound, Ann is left with little choice but to allow Devon and Archer to help her escape. Soon she finds herself in their North Bend mountain compound, where the higher evolved humans claim to be mind-readers. While Ann heals, she realizes they believe her to be one of the last and most powerful of all - The Lost One. She's welcomed by most with opened arms, but not everyone is happy about her arrival. A jealous adversary has plans for Ann, which spirals the entire Reader community into chaos. As lies, murder, and betrayal threaten to rip apart the once harmonious mountain dwellers, Ann is thrust into making a decision that could save or devastate not only The Readers, but all of mankind. But there's just one glitch: by doing so it may require her to make the ultimate sacrifice.

" A rich, generous book about writing and reading and Kurt Vonnegut as writer, teacher, and friend . . . Every page brings pleasure and insight. " —Gail Godwin, New York Times bestselling author Here is an entirely new side of Kurt Vonnegut. Vonnegut as a teacher of writing. Of course he 's given us glimpses before, with sporadisms and short essays and articles and in his speeches. But never before has an entire book been devoted to Kurt Vonnegut the teacher. Here is pretty much everything Vonnegut ever said or wrote having to do with the writing art and craft, altogether a healing, a nourishing expedition. His former student, Suzanne McConnell, has outfitted us for the journey, and in these 37 chapters covers the waterfront of how one American writer brought himself to the pinnacle of the writing art, and we can all benefit as a result. Kurt Vonnegut was one of the few grandmasters of American literature, whose novels continue to influence new generations about the ways in which our imaginations can help us to live. Few aspects of his contribution have not been plumbed—fourteen novels, collections of his speeches, his essays, his letters, his plays—so this fresh view of him is a bonanza for writers and readers and Vonnegut fans everywhere. " Part homage, part memoir, and a 100% guide to making art with words. Pity the Reader. On Writing with Style is a simply mesmerizing book, and I cannot recommend it highly enough! " —Andre Dubus III, #1 New York Times bestselling author " The blend of memory, fact, keen observation, spellbinding descriptiveness and zany characters that populated Vonnegut 's work is on full display here. " —James McBride, National Book Award-winning author

Great Books programs have become increasingly popular among Christian colleges, high schools, and even home schoolers. This one-of-a-kind book is designed for those who do not have the opportunity to attend such a program but are still interested in directly engaging with the Western Canon. It contains substantial excerpts from thirty of the most important books in history, with each excerpt followed by an essay placing the work in historical and Christian context. Readers can learn directly from such authors and thinkers as Plato, Aristotle, Augustine, Dante, Chaucer, Shakespeare, Milton, de Tocqueville, Freud, and Chesterton. Selected as one of 2011's Best Books for Preachers by Preaching Magazine

Book One of the Slaves of Erfor series: Reading is forbidden, and the penalty for non-compliance is a life of slavery enabled by the forible administration of a mind rotting drug. Yet, there are those possessed of the will to seek illumination. Kikkan, a former slave on the run, and Quillion, a mercenary and self-taught scholar. Together they seek out a small band of rebels living in hiding who offer the promise of a better world. Their leader is a mysterious figure known only as The Reader of Acheron.

An international bestseller from French author Jean-Paul Didierlaurent, The Reader on the 6.27 is ready to take you on a journey . . . Guylain Vignolles lives on the edge of existence. Working at a book pulping factory in a job he hates, he has but one pleasure in life . . . Sitting on the 6.27 train each day, Guylain recites aloud from pages he has saved from the jaws of his monstrous pulping machine. But it is when he discovers the diary of a lonely young woman, Julie – a woman who feels as lost in the world as he does – that his journey will truly begin. . . . The Reader on the 6.27 is a tale bursting with larger-than-life characters, each of whom touches Guylain's life for the better. For fans of Amelie and Mr Penumbra's 24-hour Bookstore, this captivating novel is a warm, funny fable about literature's power to uplift even the most downtrodden of lives.
