"I really looked up to my father and wanted to be with him," laments Paul, whose folks split up when he was seven. "But Mom got custody of us." Being raised by just one parent —usually the mother— often means that you are also suffering economic deprivations.

Why Did Mom and Dad Split Up? — Watchtower ONLINE LIBRARY
When Mom And Dad Split by Amy Desai, J.D. When Sherry and Rob divorced, they had three young sons, including 8-year-old Christian. After the divorce, Christian's contact with his father was limited. While Christian's grandfather was an important role model, he was unable to fill the void left by his father. As Christian tells it, […]

When Mom And Dad Split - Focus on the Family Africa
Sometimes mum or dad, or both of them, decide that they would rather not live together any more. They may choose to live apart for a while or they may choose to stay apart forever. If they are legally married they may choose to divorce. If they are in a 'de-facto' relationship they may have a legal separation.

"My mum and dad separated when I was 24, and both quickly moved on to new relationships. Mum discovered internet dating, which was strange. She'd show me her profiles and ask for advice. The first time I met the man who eventually became her long-term partner, the three of us went for a quiet drink in the local pub.

When parents split (and you're not a kid) | Glamour UK
Gomez, who was 5-year-old when her parents split, blamed her mother for the divorce--something she deeply regrets. "I blamed my mom a lot [for the divorce] because I wanted a family so bad," Gomez said. "I wanted to have my mom and dad together. I remember just being angry with my mom. I still feel really bad about that."
